Election Timetable Question

Do you create your election timetable in MS Project or Visio? We were recently asked if these programs are used by other counties to produce their election timetables. If you use one of these programs, please send an email to ctsup-port@sos.wa.gov.

USPS Postpones Implementation of Full-Service Intelligent Mail Requirement

The USPS intended to require Intelligent Mail barcodes for mail discounts this year. However, the Postal Regulatory Commission determined it is a rate increase, which will delay full implementation. The date of full implementation is not known at this time. For more information, read the [USPS news release](#).
